

Ashlar College of Freemasonry

"Building Brotherhood, Enlightening Minds, Honoring Tradition"

ACF welcomes all Master Masons to register. No academic qualifications are required. Whether you are newly raised or have many years of experience, Master Masons with a genuine interest in furthering their understanding of the Craft are encouraged to enroll.

Licensed under the Grand Lodge of BC&Y

Freemasonry is a deeply personal journey. Far from casual or superficial. It is a sincere path of exploration and discovery. It requires careful attention to the signs and directions that are encountered along the way. For those who observe and interpret these guides with diligence, the journey ultimately reveals a plan for living a moral and purposeful life.
